### **Payment and Cancellation Policy:**

I require payment before each session begins. I accept cash, checks, debit or credit cards. A \$25 check return fee will be applied to all returned checks.

**Cancellations** must be made within 24 hours of your next appointment so that your scheduled time can be used by others seeking services. If you do not cancel within 24 hours, you will be charged your usual fee.

**Insurance:** I currently do not work with insurance panels or providers although your out of network benefits may apply. If you have mental health coverage through a health insurance plan, you may seek reimbursement by submitting an insurance claim directly to your insurer. If insurance benefits are a priority to you, please check with your insurance provider before our initial intake and first session. I have provided my business name, clinician's credentials, and my business tax ID number above for your insurer. Your insurer will require an Axis I diagnostic code that I will give to you, upon your request, after our initial intake session. You will be responsible for filing the claim directly with your insurance provider as I require full payment before each session begins.

Thank you.
